

VOLUME 6

CONCRETE CONSTRUCTION MAGAZINE

**A Listing of Basic Articles by Subject
Published from January through December 1961**

ARCHITECTURAL

Economical Housing With Concrete Sprayed Over Steel	Jan 1961	14
School in the Round	Aug 1961	230
Flexibility of Design in Concrete Construction	Dec 1961	348

CRACK CONTROL

Some Notes on Cracking	Aug 1961	227
Shrinkage—Some Questions and Answers	Nov 1961	319

FASTENERS

Masonry Anchors	Nov 1961	309
-----------------	----------	-----

FINISHING

Cement Mason's Manual—Part III	Jan 1961	2
Cement Mason's Manual—Part IV	Feb 1961	26
Cement Mason's Manual—Part V	Mar 1961	58
Cement Mason's Manual—Part VI	Apr 1961	90
From Norway . . . Exposed Aggregate Concrete Murals by Sandblasting	May 1961	131
Painting Concrete Surfaces	Jun 1961	157
The Scraping Straightedge	Jul 1961	200
Effective and Easily Executed Finishes for Concrete Slabs	Sep 1961	245

FORMING

Molded Fiber Glass Forming Pans	Apr 1961	94
Polystyrene Form Linings	May 1961	127
Sliding Deck Form Panels Cut 15 Days From Schedule	May 1961	136
Plus Services With Manufactured Forms	Jun 1961	166
Continuous Slip-Form for Irrigation Channels	Oct 1961	281
Wishbone and Hour Glass Piers	Nov 1961	318

FOUNDATIONS

Shell Foundations	Jan 1961	6
Concrete and Bentonite Replace Sheet Piling in Deep Excavations	May 1961	125
Floating Box Footings Speed Bridge Construction	Jun 1961	164

HIGH-RISE BUILDINGS

Concrete for High-Rise Buildings	Nov 1961	313
----------------------------------	----------	-----

HISTORY

The Development of Reinforced Concrete	Sep 1961	249
--	----------	-----

LIGHTWEIGHT CONCRETE

Lightweight Concrete . . . A General View	Jan 1961	10
Lightweight Structural Concrete	Feb 1961	32
Vermiculite Roof Deck and Insulating Concrete	Mar 1961	66
Perlite Roof Deck and Insulating Concrete	Apr 1961	95
No Fines Concrete	Jul 1961	196

MANAGEMENT

Contractor Improves Service With Radio Communication	Mar 1961	68
--	----------	----

PRESTRESS

King Size Prestressing Anchorages	Aug 1961	226
-----------------------------------	----------	-----

REINFORCEMENT

Reinforcing Doubles as Slab Heating Element	Feb 1961	36
High Strength Reinforcing Bars	Dec 1961	347

REPAIRING CONCRETE

Latex Modified Concrete for Resurfacing	Apr 1961	98
Removing Stains From Concrete	May 1961	132

ROOFS

Prestressed Pylons and Cables Support This School Roof	Sep 1961	253
--	----------	-----

SAFETY

Proper Work Clothing Can Prevent Construction Injuries	Feb 1961	39
Steel Scaffolding Safety Rules	Nov 1961	317

SHIELDING

Construction of Nuclear Power Stations	Oct 1961	285
--	----------	-----

SITE PRECASTING

Site Precasting Has Advantages for Apartment House Construction	May 1961	128
Site Precast Panels Make Pedestrian Tunnel	Jul 1961	202

SLABS

The Lowly Sidewalk	Jul 1961	189
--------------------	----------	-----

SUPERVISION

The Concrete Inspector	Jun 1961	162
------------------------	----------	-----

TESTING

Testing Pays	Mar 1961	63
Flexure Test Specimens	Sep 1961	262

THIN SHELL

Modified H/P Shell Roofs a Church	Jul 1961	194
Sculpture in Concrete	Oct 1961	282
Thin Shell Dome Lifted into Position	Dec 1961	341

TILT-UP

Some Characteristics of Tilt-Up Construction	Sep 1961	254
--	----------	-----

UNDERWATER CONCRETING

Grouting Under Water	Feb 1961	38
----------------------	----------	----

WATER/CEMENT RATIO

Hold That Water!	Aug 1961	221
------------------	----------	-----

WINTER CONCRETING

Concrete and Winter	Oct 1961	277
King-Sized Tents	Dec 1961	345

NEED HELP WITH A CONCRETING PROBLEM?

Find the answer in this basic "Guide To Better Field Practice." In 120 fact filled pages it covers such topics as: *handling and placing, materials and testing, finishing, curing and protection, crack prevention, floors and slabs, repairing, design and specifications.* Size: 8½" x 11¼".

AVAILABLE AT \$2.00 PER COPY
